Carers Hub Lambeth - Carers Forum

HIDEAWAY

2 Empire Mews, Streatham, London SW16 2BF

11:00am - 3:00pm

THURSDAY 22nd October 2015

This Forum will give Carers the opportunity to shape the new Lambeth Carers' Strategy. We will discuss what will be on offer for carers and agree how services will best be delivered. We want to work together to co-produce a strategy that ensures carers are at the heart of how Lambeth provides care and support for people.
