

Lambeth Parent Carer Forum Events 2017

For parents and carers of children and young people with additional needs

Forum events are a platform for us to share information and ideas about what is happening within Lambeth. Our focus groups give opportunities to feedback and discuss in more detail the outcomes of the the main forum event. Your input as a parent or carer is very important.

Led by Lambeth Special Educational Needs and Disability Service

Designed by: Nusayba from Wyvil Primary School
